

REFERRAL PROGRAM TERMS & CONDITION

Payments are made to an individual who entered the referral information online. The Referrer must be eighteen (18) years of age or older and a legal resident of the United States to participate.

Your referral payments may be taxable; therefore, it is important to consult your tax advisor. Maine Solar Solutions shall not be required to withhold any taxes from payments made to the Referrer or liable for payment of same to any federal, state, county, or municipal government agency.

Maine Solar Solutions will request a completed W-9 for anyone who received \$600 or more of Referral payments in that calendar year as required by the state of Maine. The Referrer is not an employee of Maine Solar Solutions and shall not be eligible to earn any wages from Maine Solar Solution or for any health or other benefits that may be offered to Maine Solar Solution employees.

Note that a customer you refer may already be an active entry in our database in some cases. You will be notified if that is the case and we cannot honor the referral. We are sorry, but we cannot accept referrals via text or phone call. Referrals **MUST** be entered through this form to be verified and valid. Maine Solar Solutions is not required to initiate or continue to pursue any referral.

Maine Solar may discontinue the Customer Referral Program anytime, with or without reason. Referrals valid for solar installs only.
